Important Information

Disclosures

Fund share values are sensitive to stock market volatility. Market conditions may limit the ability to generate tax losses or to generate dividend income taxed at favorable tax rates. The fund's ability to utilize various tax-managed techniques may be curtailed or eliminated in the future by tax legislation or regulation. No fund is a complete investment program and you may lose money investing in a fund. A fund may engage in other investment practices that may involve additional risks and you should review the fund's prospectus for a complete description.

Before investing, investors should consider carefully the investment objectives, risks, charges and expenses of a mutual fund. This and other important information is contained in the prospectus and summary prospectus, which can be obtained from a financial advisor. Prospective investors should read the prospectus carefully before investing. To obtain more information, please call 888-228-1872 or visit us online at www.sterlingcapital.com.
